FOR THE PERFECT FINISH

TRADE PREMIUM

The Contract Professional® range is a world-leading range for the professional decorator. Contract Professional® brushes and painting tools have been extensively developed using modern technology to enhance traditional trade products. The result is a collection of advanced products specially engineered for the decorating craftsman.

PAL PREMIUM

A comprehensive range of decorating tools and accessories. This range has been designed and engineered to enable the consumer to pick the right brush, roller or tool for the desired finish. Your total preparation, application and finishing jobs are covered by our complete PAL® Premium range.

PAL VALUE

The PAL Value® range offers great value for money. With a comprehensive range including brushes, rollers, and tools.

ūrbān®

The Urban® range is specifically designed for the female decorator. Urban products incorporate ergonomic design offering easy to use decorating tools.

SPEEDBRUSH®

The PAL® Speedbrush® is twice as fast as a paint brush. The wide painting platform provides greater coverage and makes painting decks and fences quick and easy.

Roof Master® offers specialist painting tools for painting all corrugated iron roofs.

WallMaster® is a comprehensive range of specialist wallpapering tools and accessories.

Fence Master® offers specialist painting tools for all rough sawn timber, including fences and decks.

Flood® is a leading range of specialist coating and wood paint additives.

FOR THE PERFECT FINISH

FOR THE PERFECT FINISH

PENETROL QUALITY PAINT OIL FLOOD

Penetrol quality paint oil is a paint conditioner. It makes paint stick to almost anything and enhances the performance of all oil-based stains, primers and paints.

- ✓ Allows you to make more paint
- ✓ Prevents brush and lap marks
- ✓ Improves penetration and adhesion
- ✓ Does not evaporate

Code	Description	Pack
170062	Penetrol 300g Spray Can	2
170055	Penetrol 500ml	2
170017	Penetrol 1L	2
170024	Penetrol 4L	1

FLOETROL FLOOD

This acrylic paint conditioner enhances the performance of acrylics and other acrylic based paints, stains and coatings so they flow like oil based paints - but without the clean up hassles. A transparent white in colour, it will not affect the colour of the paint.

- ✓ Extends the "wet edge" of your paint
- ✓ Provides a spray-like finish with roller or brush
- ✓ Extends spray-gun life
- ✓ Eliminates roller marks and common streaking and shadowing problems

Code	Description	Pack
210041	Floetrol 500ml	2
210010	Floetrol 1L	2
210027	Floetrol 4L	1

FOR THE PERFECT FINISH

E-B EMULSA-BOND FLOOD

A stir-in acrylic paint additive formulated for exterior paints for wood, masonry or aluminium siding surfaces. Doesn't alter the original finish colour and eliminates the need for primer.

- ✓ Saves costly sealers
- ✓ Prevents peeling
- ✓ Primes, seals, bonds in one application
- ✓ Increases coverage by up to 25%
- ✓ Ideal for chalky or dusty surfaces

Code	Description	Pack
190015	E-B Emulsa-bond 1L	2

EASY SURFACE PREP (ESP) FLOOD

Easy surface preparation that cleans old surfaces and leaves a permanent bonding film that helps adhesion of new paint to any surface.

- ✓ Easy wipe-on, wipe-off application
- ✓ Eliminates time consuming and labourious sanding
- ✓ Cleans the surface and provides adhesion for oil/alkyd or acrylic paints
- ✓ For use on glazed or ceramic tiles, baked appliance lacquer and gloss
- ✓ Can paint over it in 90minutes

Code	Description	Pack
200011	ESP 500ml	2
200028	ESP 1L	2

FOR THE PERFECT FINISH

PENETROL WOOD OIL FLOOD

Multi-purpose penetrol wood oil enhances the natural beauty of fine wood. Beautifies and protects whenever fine wood is used.

- ✓ Penetrates deep into the wood
- ✓ Keeps wood "alive"
- ✓ Primes, seals and hardens in one application
- ✓ Does not yellow
- ✓ Is non-toxic when dry

Code	Description	Pack
150040	Wood Oil 500ml	2
150019	Wood Oil 1L	2
150026	Wood Oil 4L	1

DEKS OLJE FLOOD

Deks Olje #1 matte finish is a deeply penetrating blend of natural oils designed to replace lost oils in wood and to prevent moisture ingress. Deks Olje #2 gloss finish is a highly flexible brilliant gloss coating designed to be used after wood has been saturated with Deks Olje #1. Unlike varnish Deks Olje #2 will never peel, crack or blister.

- ✓ Stunningly beautiful
- ✓ No sanding
- ✓ Easily maintained

Code	Description	Pack
140010	Deks Olje #1 1L - Matt Finish	2
140027	Deks Olje #1 4L - Matt Finish	1
141017	Deks Olje #2 1L - Gloss Finish	2
141024	Deks Olje #2 4L - Gloss Finish	1

CITRISTrip FLOOD

This safe, user-friendly paint stripper is made from oranges. It will remove multiple layers of paint from wood, metal or masonry in less than 30mins.

- ✓ Non-flammable
- ✓ Non hazardous fumes
- ✓ Bio-degradable
- ✓ Suitable for both in and outdoor use
- ✓ Fast acting
- ✓ Active up to 24hrs

Code	Description	Pack
370011	Citristrip Wash 500ml	2
380010	Citristrip 500ml	2
380027	Citristrip 1L	2

DEKSWOOD FLOOD

Cleaner and brighter for exterior wood. Restores natural colour and beauty to grey, weather-beaten wood. Ideal for pressure-treated wood such as cedar.

- ✓ Cleans dirty, discoloured wood
- ✓ Removes ground in dirt, even nail stains
- ✓ Concentrated for better value
- ✓ Contains no bleach - won't harm plants and shrubs

Code	Description	Pack
160018	Dekswood 1L	2
160025	Dekswood 4L	1

POWERLIFT FLOOD

Powerlift Deck sealer remover is formulated to lift old stains and finishes from decks, fences and exterior woods.

- ✓ Removes previous finishes and build-up from decks
- ✓ Removes dirt and grey from weathered exterior woods
- ✓ Removes weathered water sealers
- ✓ Does not contain bleach

Code	Description	Pack
162043	Flood Powerlift 2.5L	1
162012	Flood Powerlift 4L	1

MOULD ACTION FLOOD

Is a pre-paint treatment that is a very effective, low toxicity wash which will kill existing mould bacteria and spores.

- ✓ Non-corrosive
- ✓ Bio-degradable
- ✓ Works on all surfaces
- ✓ Does not contain ammonia or formaldehyde

Code	Description	Pack
310017	Mould Action 1L	2

FOR THE PERFECT FINISH

PAINT ODOUR ELIMINATOR (POE) FLOOD

Odour Zapp eliminates odours caused by wet paint, thinners, strippers, solvents and enamels. Does not effect paint adhesion, hardness or drying time.

- ✓ Gets rid of serious odour problems
- ✓ Newly painted areas can be occupied within hours
- ✓ Ideal additive when painting hotels, hospitals, schools, offices and residences
- ✓ Works in acrylic, urethane, epoxy, oil, alkyd and all acrylic based paints

Code	Description	Pack
260015	POE 50ml	2
260022	POE 100ml	2

VC 175 FLOOD

VC 175 is a powerful, longlasting mould killer. A few drops added to your paint, timber stains, textured coatings, grout, mortar and adhesives helps prevent the future growth of mould.

- ✓ Surfaces will stay like new
- ✓ No unsightly and musty smelling mould
- ✓ 50ml treats 10 litres of paint
- ✓ 20ml treats 4 litres of paint
- ✓ Safe to use and odour free

Code	Description	Pack
230018	VC 175 50ml	2
230094	VC 175 20ml	2

MÖTSENBÖCKERS LIFT OFF #4 FLOOD

The only waterbased, bio-degradable graffiti remover in the world. It effectively removes all types of oil based paints, varnishes, lacquers, spray paints & more from all types of surfaces including - stucco, concrete, cars & trucks, brick, metal, plastic etc.

- ✓ Handy 650ml spray bottle
- ✓ Can be used on all types of surfaces

Code	Description	Pack
600040	Flood Mötsenböcker Lift Off #4 Graffiti Remover	1

POUR-N-RESTORE FLOOD

This oil stain remover is superior to conventional degreasers because it combines a powerful citrus degreaser with a non-leaching absorbent. Will remove motor oil, grease, hydraulic fluid, synthetic oils, food grease, tar etc. Can be used on various concrete & masonry surfaces.

- ✓ Handy 473ml
- ✓ Jus apply, let dry & sweep up
- ✓ No scrubbing
- ✓ No rinsing
- ✓ No mess

Code	Description	Pack
700009	Flood Pou-N-Restore 473ml	1
